Attend Training School

Deputies Henry A. White and Cecil Reynolds, of the Appomattox County Sheriff's Department recently attended a training school for law enforcement officers held in Roanoke and sponsored by Commonwealth University. The course covered "Homicide, Narcotics and Dangerous Drugs". This was the fourth training school for White and the third for Reynolds. They were part of a group of 150 police officers in Virginia taking the course. Both deputies, as a result of extensive investigation of what they term "nothing but rumors" say that they feel that there is no drug problem in Appomattox County "at this time". Both men stated that they hope this remains the case and that young people and adults alike will remain aware of the decided dangers of taking drugs of any kind unless under a doctor's supervision.

The Annual Recognition Banquet for the Powhatan Arrow District, Boy Scouts of America will be held Friday, March 20, at 7:00 p.m. at Cedar Brook Restaurant, Farmville, Va.

MARCH 31

Bloodmobile Day

On Tuesday, March 31, 1970, the Red Cross Bloodmobile will be at Liberty Baptist Church from 12 to 6 p.m. This will be a make-up visit as Appomattox County already has 95% of its quota of 322 pints of blood for this fiscal year. Your Blood Program Co–Chairmen, Mrs. Robert Carter and Mrs. Ben Harvey, believe that the citizens of Appomattox County would like for their county to be among those listed in the Appalachian Region as having 100% of their quota.

The Red Cross allows a person to donate blood every 56 days but not more than five times a year. Giving blood is safe and simple. The whole procedure, including brief preliminaries, takes less than an hour. Actual donation time is less than ten minutes. There are four main inherited blood groups: A, B, AB, and O. About 45% of our population belongs to the O group; 40% to group A; 10–12% to group B; and 3–5% to group AB. The use of blood of one human being to save the life of another is one of the world's greatest achievements.
